# PRICE REDUCTIONS

on all models of Chevrolet passenger cars and trucks

Reductions amount to as much as \$50 on some models

MEVROLET'S reduced prices reflect in dramatic fashion the record-breaking demand that, month after month, is keeping Chevrolet first in sales. In offering these exceptional values at these new, lower prices, Chevrolet hopes to maintain, during program of recovery.

Chevrolet is particularly glad to make this important announcement just at this time when you can see and judge the Chevrolet at the National Exhibits of General Motors Products. Make it a point to look over these features and these new low prices with those of any other low-priced car. Then you will know even more surely than before why we say with confidence, "Drive the Chevrolet only 5 miles and you'll never be satisfied with any other low-priced car."
